ABH Approved Hypnosis Trainer's Training

This training is being facilitated personally by Master Trainer, Dr. Kim Redman. Dr. Redman is the internationally accepted expert in Leadership™ and Canada's only Board Certified Master Trainer of both NLP and Hypnosis. She is one of a small but elite group of trainers that include Tony Robbins, David Shephard, and Drs. Tad and Adriana James. In addition to her NLP and Hypnosis Training, Kim has spent over twenty-five years as an initiate of the Mystery Schools, studying the Ancient Wisdoms and synergizing them into the leadership skills most coveted by industry leaders. You'll find Kim's varied background adds several initiate secrets of Higher Self Hypnosis and specialized skills to this hypnosis training. Higher Self Hypnosis is the unique creation of Dr. Kim Redman.

This training has a high ratio of trainers to students in order to support each candidate in the fun and phenomena filled environment. You'll receive the attention and the immediate feedback you need to reinforce your own success. Seats are limited, so sign up early!

Why our Hypnosis Trainer's Training?

Hypnosis Trainer's Training is the ultimate in Hypnosis Training. Successful graduates are eligible to train ABH Board Certified and Designated Trainings at both the basic and master levels in a variety of techniques and styles. Any organization can say "Certified". "Board Certified and Designated" speaks to the international recognition and transferability of your credentials and an ease in leveraging your certification as a marketing tool. Very few organizations on the planet can offer this to you.

This Hypnosis Trainer's Training and Certification is designed to produce deeper levels of trance than you have experienced before and to blow away any preconceived ideas about accessing the true and unlimited power of the Unconscious Mind. This training is designed to give you the skills you need and to reinforce your abilities to be an exceptional trainer of hypnosis.

Hypnosis is a highly lucrative field and Self-Hypnosis and Higher Self Hypnosis are two of the keys used in the Leadership and Empowerment field. Hypnosis allows you to reach a focal point that is 10,000 times greater than waking consciousness. That translates to faster learning, faster mind-body access, and faster access to Higher Self consciousness.
