NLP Master Practitioner Coach Program

ABNLP Approved NLP Master Coach Practitioner

Get Five Master Level Board designations in ONE training! Use these technologies to accelerate your career or begin a new one! Our Master graduates can guarantee their results in writing. That is a very lucrative and powerful statement!

This training is being facilitated personally by Master Trainer Dr. Kim Redman. Dr. Redman is the internationally accepted expert in Quantum Leadership™. Kim is Canada's only Board Certified Master Trainer of both NLP and Hypnosis. She is one of a small but elite group of trainers that include Tony Robbins, David Shephard, and Drs. Tad and Adriana James. In addition to her NLP and Hypnosis Training, Kim has spent over twenty-five years studying the Ancient Wisdoms and synergizing them into the leadership skills most coveted by industry leaders. You'll find Kim's approach takes the Master Quantum NLP™ skills to the next level. A perspective of the current quantum technologies and mind-body sciences are included in this course for the most complete look at leadership, legacy, communication, health, and manifestation available on the planet today.

This training allows the successful graduate to become **Master Level Board Certified and Designated in the leading fields of Executive and Life Coaching, as well as NLP, TLT/CYF and Hypnosis**. International Coach Federation (ICF) standards are met and exceeded using the quantum change technologies of NLP, TLT, and Hypnosis in a quantifiable standard. This two week Fastrak Program reinstalls and builds on the techniques of the one week Fastrak Program. It is designed with the busy professional in mind. Through the application of the advanced quantum technologies, this training is completed with a 14 day intensive practicum that is delivered through a virtual, live experience for the first week, and an in person second week, with a hybrid option for those that need or desire it.

This training has a high ratio of trainers to students in order to support each candidate in the fun and fast-paced environment. You'll receive the attention and the immediate feedback you need to reinforce your own success. Seats are very limited, so sign up early!

Why our NLP Master Practitioner Coach Training?

Today, there are major career and business opportunities to make money while you help your company, business, or clients to reach their goals as a Certified NLP Master Practitioner and Master NLP Coach. NLP Masters are in demand the world over. It is a great investment for your future! Current graduates who are following the business model given in the course have waiting lists of 3-6 weeks!

During this 14 day intensive program you will receive four different personal breakthroughs while you qualify for Five Board Certifications and Professional Designations:

1. NLP Master Practitioner
2. NLP Master Coach (Executive and Life)
3. Time Line Therapy® Master Practitioner
4. Master Hypnotherapist
5. Hypnotist

Certification, successful evaluations, passing the open-book board exam and entrance into the Boards will also allow the candidate to practise any or all of the above listed modalities. Graduates may do this as entrepreneurs within their own business or as intrepeneurs by creating and leveraging these trainings to support their teams and organization. It's a win-win. Any organization can say "Certified". "Board Certified and Designated" speaks to the international recognition and transferability of your credentials and an ease in leveraging your professional designations as a marketing tool both for yourself and your organization. Very few training organizations on the planet can offer this to you.

Since our candidates arrive from many different professional backgrounds, you will be participating in a dynamic and energized environment that facilitates the application of the Master Level Techniques in many different career areas. This exposure heightens the candidate's ability to facilitate across multiple fields immediately upon graduation.

Due to Kim's unique background in successful methods of learning, Creatrix Go Quantum® has developed a student support network that is unique to any NLP Trainer on the planet. Successful graduates are added into our Facebook graduate community. Significant resources exist here for your business development as well as a membership that is excited to mastermind and support each other. The Expert Model™ for our industry is given during the course and additional business development resources are available for graduates who seek them. We are serious about your success!
